IIT Kharagpur OCN
OUTREACH COURSE NETWORK

GOLDEN RULE 01

Always write **"IIT Kharagpur OCN"** — never "IIT Kharagpur" on its own.

GOLDEN RULE 02

Use the word **"micro-specialisation"** wherever applicable. The degree is the partner's alone.

The single test for any creative: would a reasonable student or parent understand that **(a)** the degree is awarded entirely by the partner, **(b)** IIT Kharagpur's involvement is limited to specific micro-specialisation courses, and **(c)** the partner is not an IIT Kharagpur-affiliated or endorsed institution? If the answer isn't a clear yes, the material is non-compliant.

1 · Describing the relationship

✓ APPROVED FORMULATIONS

- "[Programme] includes IIT Kharagpur micro-specialisation course(s) delivered through the IIT Kharagpur Outreach Course Network."
- "[Partner] is an onboarded partner of the IIT Kharagpur Outreach Course Network, via ProofSlate."
- "Students can earn an IIT Kharagpur OCN Micro-Specialisation Certification alongside their [Partner] degree."

✕ NEVER IMPLY OR STATE

- "IIT Kharagpur-powered degree" · "B.Tech with IIT Kharagpur" · "degree transformation"
- "[Partner] & IIT Kharagpur collaborate to offer…" (implies a joint venture)
- "endorsed / powered by IIT Kharagpur" · "an IIT Kharagpur initiative"
- Listing the partner's degree programmes under an IIT Kharagpur header
- IIT Kharagpur campus photos as the primary or background visual
- "IIT Kharagpur" as the dominant headline of an ad for the partner's degree

2 · Credential language

Use the exact approved phrasing. Never drop the "OCN" qualifier. Present credentials as benefits available to qualifying learners at IIT Kharagpur's sole discretion — never as a guarantee.

Credential	Approved phrasing	Not permitted
Certificate	IIT Kharagpur OCN Micro-Specialisation Certificate upon successful completion	"IIT KGP certificate"
Student ID	IIT Kharagpur OCN Student Identity Card for the programme duration	"IIT KGP Student ID"
Email ID	IIT Kharagpur OCN email ID for the programme duration	"IIT KGP email ID"
Alumni status	IIT Kharagpur OCN Alumni Status upon successful completion	"IIT KGP Alumni" (no "OCN")

3 · The mandatory disclaimer

Wherever IIT Kharagpur is named in a learner-facing or promotional context, this disclaimer must appear in the **same field of view**, legibly (minimum 7 pt in print). Footnote-only or link-only disclaimers do not satisfy this for advertisements.

DISCLAIMER — USE VERBATIM

IIT Kharagpur provides specific micro-specialisation course(s) to students of this programme through its Outreach Course Network. The degree/programme is awarded solely by [Partner Name]. IIT Kharagpur does not award, co-award, or endorse any degree of [Partner Name]. All IIT Kharagpur credentials (OCN Student Identity Card, institutional email ID, OCN Micro-Specialisation Certificate, and OCN Alumni Status) are subject to IIT Kharagpur's policies and conferred at its sole discretion.

4 · The IIT Kharagpur OCN logo

IIT Kharagpur OCN
OUTREACH COURSE NETWORK

The trademark lock-up is the **IIT Kharagpur crest** + the **"IIT Kharagpur OCN"** wordmark with the "Outreach Course Network" descriptor. It is the only approved way to show IIT Kharagpur on partner creatives.

- **Partner dominance:** the partner's own logo & name must always be the largest, most prominent identity. The OCN lock-up is never larger than, above, or visually heavier than the partner's identity.
- **No merged lock-ups** — never combine the crest with the partner logo into one mark.
- **Clear space:** keep free space of at least half the crest's height on all sides.
- **Minimum size:** crest no smaller than 40 px tall on screen / 12 mm in print.
- **Wordmark colour** is indigo #2C2C86 on light backgrounds; descriptor in muted #79705F. Use the white/transparent version on dark panels.
- Do not stretch, recolour, rotate, add effects, or place the crest on a busy photo.

6 · Typography

Cormorant Garamond

Display serif — partner name, headlines, lock-up wordmark. Weights 600 & 700.
Export / web-safe fallback: Georgia.

Jost

Text sans — kickers, body, labels, credentials, disclaimer. Weights 300 / 400 / 500 / 600.
Export / web-safe fallback: Arial.

Element	Font · weight	Size*	Tracking · colour
Kicker / eyebrow	Jost 600, UPPERCASE	13–15 px	+4 px · gold
Partner name	Cormorant 700	34–48 px	0 · ink
Headline	Cormorant 600	58–74 px	0 · ink
OCN sub-line	Jost 400 / 600	20–29 px	0 · indigo
Support text	Jost 300	15–22 px	0 · body
Section label	Jost 600, UPPERCASE	11–13 px	+2.5 px · muted
Credential title	Jost 600	17–25 px	0 · ink
Lock-up wordmark	Cormorant 600	21–30 px	0 · indigo
Disclaimer body	Jost 400	11–14 px (≥7 pt print)	0 · body

*Sizes are at each creative's own pixel resolution; scale proportionally to the format. Never set learner-facing text below ~24 px on a 1080-wide social creative.

7 · Formats & aspect ratios

Channel	Size (px)	Ratio	Key rule
Instagram / social post	1080 × 1080	1 : 1	OCN framing within the post itself.
Instagram / story	1080 × 1920	9 : 16	Disclaimer stays in frame.
Email / WhatsApp	1080 × 1350	4 : 5	Broadcast templates need pre-approval.
Print / newspaper	1680 × 1050	8 : 5	Partner programme is the headline; export at 300 dpi.
Website hero	1500 × 940	~16 : 10	OCN in its own section; disclaimer above the fold.
Education-fair standee	820 × 1940	~3 : 7	Roll-up; scale to 850 × 2000 mm. Counsellor scripts need pre-approval.

8 · Anatomy of a creative

Stack the elements in this order, top to bottom. Generous margins (≈6–7% of width as outer padding); a 7 px indigo→gold top accent bar; a thin hairline inset frame on square/print formats.

1. **Partner identity (primary):** partner logo placeholder + bold Cormorant partner name beneath it. Largest identity on the creative.
2. **"Onboarded partner of the IIT Kharagpur OCN"** pill, top-right.
3. **Kicker:** gold uppercase, e.g. "ADMISSIONS 2026 · NOW OPEN".
4. **Headline:** Cormorant, about the partner's degree / the micro-specialisation — *not* led by "IIT Kharagpur OCN".
5. **Gold accent rule** (≈72 × 3 px).
6. **OCN sub-line:** indigo — "Earn an IIT Kharagpur OCN Micro-Specialisation alongside your [Degree Name] degree from [Partner's Name]."
7. **Micro-specialisation chip:** cream pill — "MICRO-SPECIALISATION(S) OFFERED · [Name]".
8. **Credentials list:** "What qualifying learners can earn" — the four OCN credentials with full qualifiers.
9. **IIT Kharagpur OCN lock-up** (crest + wordmark), modest size.
10. **Disclaimer block** in a cream panel, in the same field of view.

9 · Before you publish

- [ ] Partner branding is the primary, largest, most prominent identity.
- [ ] Only approved formulations describe the partnership.
- [ ] Micro-specialisation courses are listed separately from the partner's degree programmes.
- [ ] All credentials stated in full, including the "OCN" qualifier.
- [ ] The disclaimer appears in the same field of view.
- [ ] Submitted to and approved in writing by ProofSlate.
- [ ] A reasonable parent would understand this is the partner's degree, not IIT Kharagpur's.

PRE-APPROVAL · SINGLE POINT OF CONTACT

No material referencing IIT Kharagpur or the OCN may be published until approved in writing by ProofSlate. Submit draft artwork, copy and intended channel to **founders@proofslate.com** with the subject "IITKGP_OCN_[Partner Name]", at least 7 working days before publication. Publish only in the exact form approved. Partners must not approach IIT Kharagpur directly on brand matters.

Confidential — OCN Partners. These guidelines supplement the Tripartite Letter of Association and the ProofSlate–Partner agreement; where they conflict on brand matters, the stricter requirement applies. IIT Kharagpur may amend these guidelines; the current version supersedes all earlier versions.
